

A red mobile hydraulic press unit, model DB 642, is shown in a workshop setting. The unit is mounted on a red metal frame with four casters. On top of the frame, there is a manual pump handle with a red and silver body, a large silver metal block, and several long, dark metal rods. The unit is surrounded by various metal parts and tools, including a large metal block and a red metal frame. The background shows a blue wall and a wooden pallet.
