WIREKARRUSSEL

WIRE TURNTABLE

Karusellen er fabrikeret med 4 kuglelejer og fremstillet i kraftig jernplade. Yderligere er der monteret 3 stk. låsepinde, som gør den velegnet til de fleste størrelser wireroller.

The turntable are of sturdy steel construction, and rotate on four ball bearing units. Further more the turntable is fitted with 3 adjustable pins, which allow most sizes of wire rope reels to be used.
